## Headteacher's Message

Winter has well and truly arrived in Addlestone this week! The snow flurries on Wednesday brought great excitement around the school. As the weather gets colder, please remember to send your children to school wrapped up warm each day with a coat, hat and gloves, so they can stay comfortable throughout their time outdoors.

On Monday, I met with our Local Governing Body for our first meeting of the academic year. This was a valuable opportunity to review the actions taken so far this term and the impact they are having across the school. We are extremely grateful to all our governors, each of whom has taken the time to visit the school and produce a report this term. Their commitment and support are hugely appreciated and play an important part in ensuring the best possible outcomes for all children at Darley Dene.

Following on from our newsletter last week, the Senior Leadership Team has now reviewed the responses from the parent survey. We have been busy organising opportunities for our families to get involved in school life. Below, you will find dates for a range of upcoming events and workshops, grouped into three areas: our festive calendar, ways to support your child's learning at home, and sessions to help build family resilience. ## **Inclusion Update:**

### **The Importance of Pupil Voice**

Listening to children and understanding their experiences is a key part of supporting their learning, wellbeing, and independence. *Pupil voice* means giving children regular opportunities to share what helps them learn, what they find challenging, and what strategies support them best. When children feel heard and understood, they develop greater confidence, resilience, and independence - because they learn to recognise their needs and advocate for themselves.

In school, we gather pupil voice in lots of ways:

- Through regular conversations where staff ask, "What do you need?" helping children identify the strategies that support them.
- Using reflection sheets to help children think about what worked well and what they might try next time.
- Encouraging children to share ideas and experiences through the Darley Dene Dynamos, giving them a meaningful role in shaping school life.
- Offering choices in learning tasks or routines so children feel a sense of ownership and control.

At home, you can support pupil voice - and continue to build resilience - by:

- Asking open questions such as "What helped you concentrate today?" or "How did you solve a problem when something felt tricky?"
- Encouraging your child to talk about what helps them stay calm or confident.
- Letting them make small decisions and reflect on how those choices helped them.
- Listening without stepping in too quickly, giving them space to work out what they need before offering suggestions.

By nurturing pupil voice at school and at home, children learn to understand themselves as learners, express their needs clearly, and develop the confidence to tackle challenges independently - key ingredients for lifelong resilience.

### **Time to talk**

Understanding what makes children and young people feel happy, safe, and loved helps us support their wellbeing and build resilience when challenges arise. This half term, we will be focusing on **Questions to Understand Their Positive Feelings**, sharing weekly prompts to help guide meaningful conversations at home and nurture those positive emotions.

Can you describe a time when you felt inspired or motivated to pursue something you love?

### **EYFS & KS1 News**

In Nursery, we have been wrapping up our Autumn exploration by using natural objects found outdoors to build new vocabulary and deepen our understanding of the world around us, supported by our class story *The Leaf Thief*. The children have also been learning new letter sounds and practising subitising the number 2. This week, Year 1 enjoyed a wonderful workshop from Chertsey Museum about toys from the past, which was both fun and informative. The children loved dressing up as their favourite toy for the occasion. We also received another letter from the little mouse, and the children are busy writing a reply. Meanwhile, in Year 2 we celebrated a fun-filled Superheroes Day where all the children proudly showcased their magical and unique superpowers.

### **Stay, Play and Learn**

We look forward to welcoming our LAN and Reception families into school for the first Stay, Play and Learn of this year. The session will include spending time with the children in the classroom, followed by a short workshop on how you can support with phonics at home. Further information has been sent out in a letter earlier this week, please sign up to a session by following the link below, via the letter sent or contact the office and they can support with this. The children love welcoming their families into school and it's always an exciting event for them.

## KS2 News

Well done KS2 on finishing another week and for managing the transition into much colder weather. It is so important that all of us wrap up warm and bring our coats to school so that we can continue to play outside during break and lunch. In assembly this week, we were able to share the announcement regarding our new football teams and then spend time completing a whole phase movement break with a focus on hope and optimism. I hope we can all approach the coming weeks leading up to the winter break and all the exciting things that are on offer during this time.

## British Parliament Week

Next week will begin Darley Dene's first celebration of British Parliament Week. All the teachers have been using resources provided by Parliament itself to plan engaging and exciting lessons aimed at empowering our pupils with the skills and knowledge needed to grow into empowered citizens, using their voice and vote to change the world around them for the better.

## Christmas Concert

It is not too long now until Darley Dene celebrates our annual KS2 Christmas Concert. The themes for each class have been chosen and now the hard work begins in the classrooms - giving children time to practice their songs and begin to write their poems. One child from each class will be chosen to read out their poem in front of the whole audience.

## P.E. News

### Football Teams Announced!

We're super excited to share that our Upper Key Stage 2 Boys' and Girls' Football Teams have officially been formed for the 2025 - 26 season! Massive congratulations to every child who took part in the trials; you all showed incredible effort, teamwork and resilience.

**Girls' Team:** Ire, Advika, Hargun, Christina, Kaylee, Fatmana, Shylla and Harper

**Boys' Team:** Milan, Jude, Caesar, Alan, Jordan, Advik, Jayden H, Matt, TJ, Olaf, Orest and Kayden

Football training will take place every Thursday at lunchtime for both DD teams. More information about upcoming games, leagues and tournaments will be shared in the New Year. Stay tuned, it's going to be an exciting season!

## Junior Parkrun – Join the Fun on Sundays!

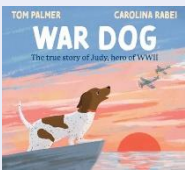

A little reminder that Junior Parkrun takes place every Sunday and is open to all children. It's a brilliant way to build confidence, get active and represent Darley Dene out in the community. You can also join our school group "DD Dynamos" to track our progress together. We'd love to see even more children and adults giving it a go!

## Reading

It has been a wonderful week for reading across the school. I had the pleasure of looking through all the children's reading books alongside the staff, and we were incredibly impressed with the effort, care and pride shown in every class. Well done to all the children for their excellent presentation and their ongoing hard work in developing their reading skills - it is fantastic to see such enthusiasm and progress.

We are also excited to announce our Pre-Loved Book Giveaway, taking place next Tuesday 25th November and Wednesday 26th November. This is a lovely opportunity for families to pick up some much-loved books to enjoy at home. Weather permitting, the giveaway will be held outside in the playground; however, if it rains, we will move the event into the hall.

Here are the recommended reads for this week!

### KS1

*War Dog* follows a young pilot and the loyal stray dog he befriends during World War II, showing how their bond brings courage and hope amid the dangers of war

### KS2

*My Family, the Enemy* is about a girl coping with her mother being labelled an "enemy alien" during World War II.

## Maths

🎉 A huge well done everyone for rising to the challenge, especially to the top 3 children at Darley Dene:

## Messages from the School Office

### Uniform

We want children to be proud of Darley Dene and to take a pride in their appearance whilst wearing our school uniform, encouraging a sense of belonging amongst the children as well as embedding our identity in the wider community. Please ensure that your child's uniform including Coats, Jackets and PE Kits as well as water bottles **are named**.

### Earrings

It is a Trust-wide stipulation that school children must not wear earrings while taking part in PE lessons. Members of staff cannot remove earrings on behalf of children so a child must be able to remove their earrings independently or alternatively the earrings are removed before they come to school. Children with newly pierced ears are included in these guidelines and so are also required to remove their earrings; the duration of the lesson is not long enough to allow piercings to close over. Additionally, we are not able to allow children to take part in lessons with plasters covering earrings so it is imperative that children learn to remove/insert earrings themselves.

### Pupil Premium/FSM

Have your circumstances changed? You may qualify for your child to have free school meals and other benefits under the Pupil Premium/FSM scheme from Surrey County Council. Scan the QR code to check.

### Breakfast and After School Club

A reminder to parents that spaces in both these clubs are limited. Please ensure you book within 48 hours prior to the days needed to secure your child's space. If you need help booking, please call the office.

### Entrance to School

Entrance to the school should be via the main school gates only between 08.30am - 08.50am. If you need to speak to the office staff, parents should go via the internal door to the office from the playground. The main office entrance is for the use of Breakfast Club only before 08:30am.

### Water bottles

Water only is allowed in children's water bottles. **No juice or sugary drinks are allowed in school.** Please also name your child's water bottle.

### Lunch Boxes

Darley Dene is a **nut free** school. Please **DO NOT** send your child to school with chocolate spread Sandwiches, chocolate crepes for lunch as it is not possible to distinguish between Nutella and a nut free chocolate spread. If your child has a chocolate spread sandwich or a chocolate crepe we will call home to request that an alternative be brought in. Thank you for your co-operation.

### School Meals

Autumn term menu available [click here](#)

Please continue to pay for lunches through your ScoPay account.

Nursery **£2.49**

KS2 **£2.80**

### Medication

If your child has been prescribed with medication which needs to be administered during the school day, please ensure that you complete a Pupil Medication Request form which can be found on the school's website or from the school office. Without the completed form staff will not be able to administer any medication.

## Attendance & Fixed Penalty Notices

### Amount Payable for a Penalty Notice and Consequences for repeat unauthorised absences

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carer per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.

2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.

3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, **per parent/carer per child**, in the Magistrates Court under s 444 Education Act 1996.

**Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.**

We're thrilled to see so many children and young people excited about our Club4 sessions!

But here's the challenge: some parents are booking spaces, and children aren't showing up.

These places are fully funded for families, so when a child misses their session:

- A funded space is wasted
- Another eligible child misses out on fun activities and a nutritious meal

To keep this amazing programme available for as many families as possible, providers have been asked not to accept future bookings from families who repeatedly miss sessions without explanation.

- ✔ Please only book sessions your child can attend
- ✔ If plans change, cancel early so another child can enjoy the opportunity

Together, let's make this holiday active, creative, and unforgettable for every child who needs it!

### Parent Highlights

"Activities have not only provided fun, food & friendships for my child, but has made great memories of the summer holidays. He looks forward to future activities with Club4 camps."

"We had a fantastic time at the Stay and Play. The facilities are amazing and the staff so helpful and attentive, it's a perfect place for my daughter and her brother who has special needs to bond and try a new activity together. We will definitely be coming along again."

"Amazing opportunity for my son who is autistic. The experiences he did has led him to learn new skills, become more confident and also experience days out which he has never had the option to do before."
