Headteacher's Message

This week the children have been embedding classroom routines and getting to grips with all of our new opportunities to have their efforts recognized with special certificates.

A huge thank you to Mrs. Devonport, Mrs. Gardner and Mrs. Butler who have all supported our staff brilliantly as they build relationships with your children. Thank you too to Catherine Webb and Mrs. Jones who have been on hand every minute of the day to enable children and families to overcome barriers to learning - your patience and good humour are welcomed by everyone.

Reading

Thank you to Mrs. Butler and Mrs. Devonport who have worked at lightning speed to ensure all of the phonics and reading sessions are happening across school. There are new electronic systems in place and new tracking systems which everyone appears to be taking in their stride. I have seen teams of teaching assistants practicing using systems with each other before using them with the children. The team dedication is second to none.

Safeguarding

Please can I remind everyone who has a child cycling to school that they must wear a helmet. Even if your child has stabilisers and you feel they cannot possibly fall off, they could still be knocked into and head injuries are not to be taken lightly.

Our site is a pet-free site. I am aware that the sign says no dogs other than service dogs but I would also ask that cats, rabbits and any other pets are not brought onto the site. Whilst these animals are often adorable and are certainly popular with our children, we do not have the necessary insurance for if something should happen to an animal or a child or other adult visiting the school grounds.

Lunch Boxes

Darley Dene is a nut free school. Please do not send your child to school with chocolate spread Sandwiches for lunch as it is not possible to distinguish between Nutella and a nut free chocolate spread. If your child has a chocolate spread sandwich we will call home to request that an alternative be brought in. Thank you for your co-operation.

Oracy

Darley Dene is starting an exciting project with Voice 21 to develop a new Oracy Curriculum. It will provide opportunities for children to develop as independent, confident and successful learners, with high aspirations, who know how to make a positive contribution to their community and the wider society. From this work children will be able to articulate their learning clearly by learning to talk and learning through talk.

Our vision at Darley Dene is for the Oracy Curriculum to enable our children to have the confidence to use their voice; choosing how to articulate their thoughts, feelings, opinions and ideas in a variety of situations for different audiences. Our children will understand the impact their voice can have on their future success and that of the community in which they are part of.

To continue the learning outside of school, we will be adding a 'Thunk' to our weekly newsletter. If possible, we would love this question to be discussed at home. There is no need to write anything down - just talk! This could be discussed anywhere and at any time, for example around the table at dinner or on the walk to school. Through talk children will be more confident in school to share their opinions and understand that their voice is valued. We will also be celebrating their learning with an Oracy Champion from each class weekly in our assembly. Thank you in advance for your support with this exciting project.

Talk Question

Is it more important to be right or more important to be kind?

Celebration

With the start of a new academic year, we have introduced some new certificates to celebrate the children's achievements throughout their week at school. In line with our Oracy Project our Oracy Champion from each class will be celebrated every Monday morning. Within key stage assemblies our Jigsaw award linked to our PHSE curriculum will be presented along with our Sports Stars. To end the week on Friday morning, our Writers and Mathematicians of the week will get their certificates. Gold leaves, which link to our Stay on Green behavior system, will continue to be awarded in every Friday assembly and placed on display.

Wrap Club

At Darley Dene we offer extended care at our breakfast and after school Wrap Clubs in order to support our families should they require it. Wrap Club is open to pupils in all year groups, including Nursery. At Wrap Club we have a variety of activities for the children to take part in.

- Play dough, puzzles, Rubik's games, book corner, kitchen area. Lego, bingo, transformers, costumes, construction, dominos, 4 in a row, cards, balloons, dolls. Engines, bowling and a wide selection of board games.
- We have plenty of puzzle words, cut-outs, water colour, painting and colouring.
- We promote "Reading for Pleasure" and free art, providing different sorts of materials every week to expand our children's imagination.

Breakfast Club

- The Breakfast Club is a safe, stimulating and nurturing environment, provided for those children who may have parents or carers with work commitments outside of the usual school hours.
- Children who join us for Breakfast Club enjoy an array of activities - ***from reading and crafts, to games and puzzles*** - supervised by our friendly and experienced team.
- The children are provided with a delicious and nutritious breakfast which includes ***bagels, toast, juice, cereal, yoghurts and a variety of spreads and preserves.***
- The Club can be booked online through ScoPay and operates from the school premises from 7.35am until the start of the school day.

If you are interested in finding out more about our Breakfast Club please contact the school office or visit our website.

Outside Achievements

We love to hear about and celebrate the achievements of our children outside school as well as in. Please let the office know if there is anything you would like us to share in the newsletter on behalf of your child. Please email details to office.darleydene@lumenlearningtrust.co.uk

Congratulations to Francesca (Woodpeckers) who was sent home with sunflower seeds at the end of summer term to enter a sunflower growing competition with Seymours Estate Agents. Francesa won first prize with her Sunflower winning a £50 voucher and also £50 for the school. Well done Francesca!

Congratulations to Hoosela in Kingfishers who over the summer successfully passed his grade 4 piano exam!

Data Protection

Privacy Notice for Pupils, Parents and Carers

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data. Our Lumen Learning Trust privacy notice for pupils, parents and carers explains how we collect, store and use pupil & parent/carer personal data. This document can be found via this link: <https://www.lumenlearningtrust.co.uk/about-us/lumen-learning-trust-policies/general-data-protection-regulation-gdpr>.

Your child's profile name within Google Classroom

Your child will automatically be provided with their own personalised profile to enable them to access Google Classroom as part of their educational experience at our school. This is a fantastic online tool that allows a virtual learning environment to connect teachers and classmates from any location. Additionally, both in certain and uncertain times it ensures that we can provide a safe, secure and reliable way to continuously deliver education. You can read more about our remote learning offer, how and why we use Google Classroom and the security of your child's data by visiting our school website and navigating to Curriculum & Remote Learning Offer.

Each child has a unique profile which represents them in the online classroom, this is comprised of a name tag. Only the individuals in the virtual class can view this profile and all members of a Classroom are bound by the Lumen Family Acceptable Use of ICT Agreement and E-Safety Rules. For clarity purposes their name tag is comprised of their forename and surname. However, if you would like your child's profile name to show only the first initial of their forename and full surname please do contact our school office who can action this for you.

Sharing data and information with NHS Surrey to support children to access local health and wellbeing services

Surrey Children's Community Health Provider, Children and Family Health Surrey request regular information from us about our children to support planning and delivery of school based health screening at different points of a child's life. Information provided to them by the school is Name, Gender, Address and DOB. Assurances have been received from the Service that this request is in accordance with Government guidelines and adheres to the required Data Protection standards. If you would like further information please refer to <http://childrenshealthsurrey.nhs.uk>. <https://childrenshealthsurrey.nhs.uk/about-us/privacy-policy>
