Wednesday 20th September 2023

Dear Nursery, Reception and Owls Parents and Carers,

From Monday 25th October, we'll be introducing a new way to keep you informed about your child's learning in school. We will be using Tapestry to share observations of your child that you can access easily online. These observations are part of our regular ongoing assessment and help record your child's learning.

In order to access Tapestry you will need to have an email address (please ensure the school office has your correct details). You will receive an email to help you set up a password, login and to notify you when observations have been added.

Over the course of the next week, you'll receive an email from Tapestry asking you to set up your parent account which will allow you to view your child's observations. Please check your email account carefully, including your spam/junk folder in case this email is directed there.

We will aim to share observations regularly with you, this is purely a snapshot of your child's learning and in school, assessment will be happening every single day in many different ways. As well as this, we will continue to have hard copy Learning Journals which you will be invited into see during allocated times of the year.

We look forward to sharing these observations with you and hope you enjoy using Tapestry. If you do not receive an email or have a problem with logging in, please let your class teacher now.

For more information regarding how Tapestry use your data please visit their website: <https://tapestry.info/privacy-policy.html>

Many thanks
EYFS Team
