## OUR VISION

Darley Dene Primary School puts the children's needs at the heart of its provision. Our whole school community is committed to enabling the children to become successful lifelong learners and happy, fulfilled adults who can make positive choices about their future.

## INTRODUCTION

Our Breakfast and After School Clubs, known as the Wrap Club, are run by Darley Dene staff of which some also have roles within the school. In this way we are able to offer a consistency and continuity of provision as the staff and children know each other well and share the same expectations as are enjoyed during the school day.

A schedule of exciting and varied activities are devised for the clubs. Children can join in with the planned activities or take time to do their home learning. Many children enjoy playing in the playground outside of the club's room as well as having some quiet time or playing with the range of games and toys.

Darley Dene's before and after wraparound care is flexible and reasonably priced. Children have a choice of breakfasts, snacks and tea and pick up times can vary depending on parent's schedules.

Our Before and After School Clubs are new and quite popular; places must be booked a week in advance to ensure we have the correct staffing levels to enable us to fulfil our safeguarding expectations. Should you need to make an amendment within seven days of a booking you will have to call the school office. The facility is non-profit making therefore cancellations made within 24 hours must still be charged to cover the cost of staffing.

**Parents wishing to use the Before and After School Clubs are asked to carefully read the information and terms and conditions in this booklet. The declaration on page 15 must then be signed and returned to school prior to a booking being made.**

Terms and conditions are reviewed annually. There may be occasions when changes to terms and conditions occur prior to the annual review, parents will be notified of any material changes in writing and may be asked to sign and return an acknowledgement.

*Darley Dene Primary School is committed to Safeguarding and promoting the welfare of children. To achieve our commitment, we will ensure continuous improvement and development of robust Safeguarding processes and procedures that promote a culture of Safeguarding amongst our staff and volunteers.*

## INFORMATION AND TERMS & CONDITIONS

### STAFF

#### Breakfast Club

Mrs Hockley - Breakfast Club, Afterschool Club and midday supervisor

#### After School Club

Mrs Gomez - After School Club Manager

Mrs Hockley - After School Club, Breakfast Club and midday supervisor

All staff are DBS checked and are subject to Lumen Learning Trust First Aid training requirements.

### CONTACT DETAILS

#### Parent Contact Details

Parents/carers must fill out a Child's Registration form prior to their child's first session at either of the clubs. This form allows us to gain important information about your child's contact details, health and wellbeing.

Registration forms are available from the school office or the Breakfast and After School Club. All information about your child's details is kept in a locked cupboard in the club room and only the authorised staff will have access to these details.

### OPENING HOURS

The Breakfast Club is open from 7.35am - 8.30am. A pre-nursery daily session, known as The Wraplets, is also open from 7.35 – 8.45am. Breakfast is served until 8.10am.

The After School Club is open from 3.10pm – 5.30pm. These sessions run every Monday to Friday during term time only.

The clubs will not be open on days when children are not expected into school e.g. INSET days, polling days and school holidays (including the last day of term when school finishes at 1.00pm). Parents will be notified of any other exceptional days via the school newsletter.

#### Arrival for Breakfast Club

For parents using the Breakfast Club, please walk your child into the club, sign them in and confirm with the staff member whether or not your child is having breakfast. Please do not drop your child off and ask them to come in on their own.

Parents of pupils who walk to school must first sign a disclosure as the school will not be responsible or liable for the health, safety and well-being of a child until they reach the Breakfast Club room.

#### Arrival at the After School Club

Each day Teachers are all given a list of children who are attending After School Club that day.

All children will be collected by a member of the club staff from their classrooms and escorted to the small hall, where the register will be taken.

If children are attending an activity club within the school and they are also on the After School Club register for that day, a member of the After School Club staff will collect them at the finishing time and escort them to the After School Club.

If parents have booked their child into the After School Club (ASC) but decide, on the day, to collect their child at 3.15pm instead, the child should still go to the ASC to be registered and the parent should then collect from the ASC and sign them out.

#### Dismissal from the after school club and your child's safety

For security and safeguarding purposes if any person other than a parent is collecting a child the parent must notify the school office beforehand between the times of 8.45 and 2.30pm. We will not allow any child to depart from the club unless we have a form of identification or a password has been agreed with a member of staff.

Adults collecting any child/children must present themselves to a member of staff, they **must** sign their children out and write down the time of departure.

## EARLY YEARS FOUNDATION STAGE CHILDREN

The After School Club is committed to delivering the EYFS as set out in the Statutory Framework for the Early Years Foundation Stage 2014. The EYFS applies to all children from birth through to the end of Reception year.

For those Reception children who attend our club the After School Club staff are responsible for:

- Identifying those EYFS children when they are new to the club.
- Support to the children with all EYFS areas of learning and development.
- Offering a mix of adult-led and child-initiated play activities which are appropriate to the child's development.

## ACCIDENTS AND FIRST AID

Every precaution is taken to ensure the safety of the children. If your child has a minor injury whilst in our care first aid will be carried out within the club. An injury form will be filled in by the adult who dealt with the incident and you will be informed when you collect your child. A trained First Aider will always be present at the Club and a First Aid kit is kept on the premises. Children that are not **toilet trained** are unable to attend the clubs until they are able to oversee this independently.

## ABSENCES FROM SCHOOL

If your child is absent from school and has been booked into the After School Club please make the office aware that your child will not be attending the club. You can do this by calling 01932 847674, option 1 and leaving a message on our absence line or via email at [office.darleydene@lumenlearningtrust.co.uk](mailto:office.darleydene@lumenlearningtrust.co.uk). If you do cancel your booking, the charge will be removed and your child will have a credit for future use in the club.

## ILLNESS DURING THE SCHOOL DAY

If your child has been ill through the school day or there has been an emergency and they cannot attend the booked After School Club please send a request to the office in order to credit the session on to your child's account. The office will not automatically know to do this unless a request is received from the parent, please do this by email to [office.darleydene@lumenlearningtrust.co.uk](mailto:office.darleydene@lumenlearningtrust.co.uk).

If a child is showing signs of being unwell whilst they are in the After School Club or Breakfast Club, staff will notify the parent/carers and ask them to collect their child.

Staff at the club cannot administer any form of medication unless the parent/carers has filled in a medication consent form. These forms are available from the school office and will be held there and not in the After School Club.

## VALUABLES

As per the schools policy no toys or books should be brought into school.

## **BEHAVIOUR**

The Breakfast Club and After School Club staff encourage the children to respect themselves and others in a relaxed friendly environment with clear expectations and boundaries. We use the Stay On Green approach for behaviour that is used throughout the school.

### Stay on Green

- All the children have the opportunity to make positive choices about their behaviour and influence outcomes within the Breakfast and After School Club.
- The children who regularly follow the rules of the Breakfast and After School Club are noticed and rewarded.
- The Breakfast and After School Club follow a consistent system which is used through the children's school day.
- The system promotes a less intrusive approach to the management of behaviour and the children are able to achieve rewards which will go towards their whole class reward system.
- The Breakfast and After School Club will implement the same consequences that are used within the main school. This includes the coloured warning system of blue and yellow and red for reflection time.

Further information can be found on our school website.

## **PARENTAL/CARER INVOLVEMENT**

### Working together with parents and carers

The Breakfast and After School Club's aim is to provide a safe, stimulating and caring environment where children and parents are welcome and valued. We believe that it is important to work together with parents to ensure their children's best interests are met. The After School Club staff are always happy to discuss any parental concerns at the end of their child's session.

### Parental Conduct

The Home School Agreement also covers the provision in the Breakfast and After School Club.

For our Home School Agreement to work and help to ensure the best outcomes for our children, everybody needs to respect the professional relationships required in schools.

Our staff work to the highest expectations of professional conduct and are held to account should their behaviour fall short of our expectations.

We therefore ask that all parents frame questions and concerns in a calm and respectful manner to prevent parental behaviour becoming an issue in itself.
