Each instrument family is played in a different way, some look very similar, others all look different

| Key Definitions | |
|-------------------|--|
| <u>Word</u> | <u>Meaning</u> |
| Conductor | The person that stands at the front of the orchestra often holding a baton, who keeps the orchestra in time. |
| Percussion Family | Instruments that you hit or shake to make a sound |
| String Family | Instruments with strings and often a bow. Can be played by plucking, strumming, or bowing |
| Brass Family | Makes a tune |
| Woodwind Family | The stick used to play the chim bars |
| Unison | The music that plays alongside you playing the chimbars |
