Monday 15th April 2024

Dear Parents and Carers,

As part of our Science and Understanding the World topics we will be learning about animals, growth and change. On the 10th May, we have organised for duckling eggs to arrive in school and we have rented incubator sets so we can watch them hatch. The children will have the opportunity to observe the eggs and watch them hatch into ducklings. This is always a special and wonderful learning experience for the children. The ducklings will stay in school for two weeks after they have hatched and during this time the children will have the opportunity to handle the ducklings.

We ask kindly, for a parental contribution of £2.90 towards the costs of the experience.

Please make payments via Scopay by Tuesday 7th May 2024.

We look forward to sharing this experience with the children and seeing the new arrivals!

Kind regards,  
EYFS team and KS1 team
