

## Maths

In Maths this term we are learning about sequencing, positional language, more than/fewer than, 2d and 3d shapes as well as consolidating numbers 1 -6. In our sequencing lessons, we will be putting 4 pictures of the nursery rhyme 'Incy Wincy Spider' in order. We will use the key vocabulary: First, next, after that and finally. Our key words that we will focus on for positional language are: on or under, in or out, in front of or behind.

## Literacy

This term in Literacy the children will hear the two main stories 'Lulu loves the library' and 'Hungry Hen.' We will hear lots of other stories based on the children's interests and some more topic themed stories. In phonics we will focus on learning the new letter sounds: f, l, j, v, w and y by playing some phonic games including, 'What's in the box?' and 'Bertha the bus.' We will learn and sing the nursery rhymes, 'Twinkl, Twinkl, Little Star' and '5 Little Men in a Flying Saucer.'

## Communication and Language

We will continue to sing a range of songs and nursery rhymes. We will use new vocabulary learnt during our carpet sessions during continuous provision.

## Expressive Art and Design

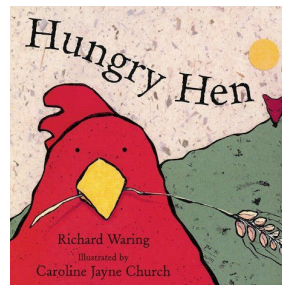

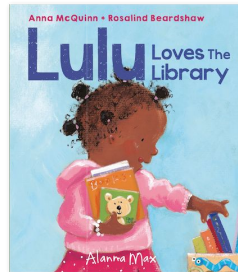

This term we will support children to create effects with materials. The children will take part in various creative activities including: adding sand to paint, rolling marbles in paint, use shaving foam and paint etc. We will discuss the effects of the materials and describe them using our senses. We will make collages using lots of different materials. We will be encouraging independence such as putting on the apron by themselves and writing their name on their work.

## Personal Social and Emotional Development

In PSHE this term we will be learning all about relationships. We will have class discussions, learn through reading stories and continuous provision. We will learn about: family life, friendships, breaking friendships, falling out, being a good friend and dealing with bullying.

## Robins - Summer 1

# How does your garden grow?

## Understanding the World

Celebrations explored: Eid Al-Fitr

This half term we will be focusing on seasonal changes. We will be discussing how the weather has changed from winter to summer. We will discuss what happens to the trees. We will be looking at the lifecycle of a chick. We will discuss the importance of respect for the natural environment and all living things. In R.E we will discuss what makes a place special?

## Physical Development

This half term the children will continue to develop our fine and gross motor skills through our continuous provision in class. In our PE lessons we are focusing on Speed, Agility and Travel. We will be teaching this through lots of different games. We will also continue to encourage the children to put on their coats and trying to do up their own zips.

## Key Dates:

Monday 13th May - Duckling eggs delivered to school.

Friday 24th May - Last day of term
